### **Editorial**

Due to slippage in the production schedule, this issue of *Culture and Cosmos* is appearing in 2011. We will be up-to-date by the end of the year. We have a new editorial team and I would like to welcome Jennifer Zahrt as Deputy Editor and Fabio Silva as Assistant Editor. Jennifer Zahrt is a doctoral candidate at the University of California, Berkeley, looking at astrology in German culture during the early twentieth century, and is the Associate Editor for *The Threepenny Review*. Fabio Silva is a student on the MA in Cultural Astronomy and Astrology at the University of Wales Trinity Saint David, has a PhD in Cosmology from the University of Portsmouth, awarded for his thesis on 'Dark Energy and Modified Gravity Models', and currently holds a short-term research post in the Institute of Archaeology at University College, London.
